

INTRODUCTION

Albany Pride Festival is back for another year!

The Albany Pride Festival is Western Australia's biggest regional Pride Festival, bringing together the Queer community and their allies from Albany/Kinjarling and beyond.

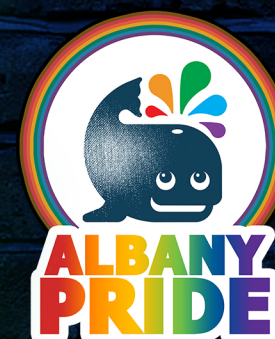

Albany Pride Festival has been running each year since 2016, and Albany Pride Festival 2022 is our biggest and best yet (yes, we say this every year, but we've really pulled out all the stops for this one!). 2022's Pride Festival will take place over and between two weekends; from Friday 18th February to Sunday 27th February.

Albany Pride Festival continues to bring a diverse range of events so that there's something for everyone. Over the past few years, the Albany Pride Festival Committee have been keen to incorporate the Arts as much as possible, by bringing theatre shows, music acts and other performances to Albany.

Our immensely popular Pride Fair Day is back for another year, bringing entertainment, stalls, food, and kids entertainment together for a fun, family-friendly day out for all ages. For 2022, we've also built upon our inclusion of sport, wellbeing and fitness activities.

Of course, no Pride Festival would be complete without a fair amount of socialising and partying, and we promise to deliver parties of epic proportions this year.

The Albany Pride Festival gives the Queer & Ally community of Albany/Kinjarling region a time of celebration and visibility, and for those outside of the region, a perfect excuse for a fun-filled, Queer-themed holiday that will showcase the vibrancy and size of Albany's LGBTQIA+ community, showcase the beauty and attractions of the region, and hopefully, a reason for them to visit Albany/Kinjarling again in the future (and perhaps, even an incentive to be here a little more permanently!).

Welcome to Albany's 5th and most sensational Pride Festival yet!

I am so delighted we are once again in a position to be bringing so much fun and diversity to town, but this year we really are pulling out all the stops! Our festival committee has worked tirelessly all year getting this program together, ensuring we are catering to all demographics and making sure that, at least for this short period of time, Albany will be the most fun and the most accepting place for Queer people in WA!

So please gather your friends, book your tickets, and enjoy our festival and all this beautiful region has to offer!
